Not a Registered Predictions Room User?

Follow the steps below to Subscribe & Register

- 1. Go to Safaricom SIM Tool Kit, select M-PESA menu, select "Lipa na M-PESA"
- 2. Select "Pay Bill"
- 3. Select "Enter Business no.", Enter 516606 and press "OK"
- 4. Select "Enter Account no.", Enter BETSTAR and press "OK"
- 5. "Enter Amount", Enter 500 and press "OK"
- 6. Enter your M-PESA PIN and press "OK"
- 7. Confirm all the details are correct and press "OK"

You will receive a confirmation SMS from M-PESA. Kindly SMS the Mpesa confirmation code (e.g. LFE35HK3O) to 0707551645, and we will send you a password.

Come back to this page and use the password above to log into the Predictions Room.

Login into Predictions Screen

The predictions page will only be seen by paid users who have to login in with a 4 letter PIN supplied to them

Prefilled using Name on Profile (Not editable here, can only be edited from Profile Page)

I will personally create PINs for registered users from the backend and send it to them

Static Instructions

Nice job! You're displaying a 320 x 50 sest ad from AdMob.

<u>Predictions Screen – After Full Time</u> Results

After game has ended, I will update the outcome as either winning bets, losing bets or postponed matches (PP).

I will update each game as it ends from the back end, preferably by clicking a button to indicate the result and such mark appearing alongside the game prediction like in this screen
